## **Payment of Termly School Fees by Direct Debit Forms**

*(Forms Booklet pages 8 – 9)*

*Please note that these forms only need to be completed if you would like to pay the School Bill by Direct Debit and you have a UK bank account.*

The School Bill will be sent to you approximately two weeks before the start of each term. Basic school fees are charged in advance; extras are charged in arrears.

Fees are payable in full on the first day of each term. Late payment and interest charges may be applied to all accounts outstanding after the first day of term. Methods of payment are as follows:

- a. **Direct Debit** either in one instalment at the end of the first month of the term, or in three equal instalments over the first three months of each term.  
This facility is available only to parents with a UK bank account.

If you would like to pay by direct debit, please complete and return both direct debit forms (pages 9 and 10 of the Forms Booklet). You will continue to receive the termly bill – printed on the bill will be the date or dates on which funds will be requested from your bank account (usually towards the end of September/October/November, January/February/March, and April/May/June), and the amount to be requested on each date.

## **Shrewsbury School Shop Smart Card**

*(Forms Booklet page 10)*

The School Shop has a pre-charged Smart Card for use by pupils, which stores details of all purchases made using the card. An advantage of this system for parents is that it gives complete visibility of what is being bought. Parents receive a printout of all purchases over the previous year with the Michaelmas school bill. Additional printouts can be requested at any time.

All pupils are issued with a card, but parents are not obliged to put any money on it. Recommended amounts for boarders, based on previous averages across all pupils, are shown on the School Shop Smart Card form. Currently around 760 pupils make use of the Smart Card and about 15 have opted to bar the card from being used to purchase confectionery.

If you are happy with the amounts shown on the form, you do not need to complete the form. Your child will automatically be issued with a card and the recommended amount. However, if you would like to request a different amount, please complete and return the form to us.

The amounts will be charged, in advance, as an extra on the school bill each term. Any unused amount will be credited to your account at the end of each academic year. The card can also be used to purchase tickets for charity fund-raising events.

Please do not hesitate to contact Sarah Coombe by phone on 01743 280830 or email [swipecard@shrewsbury.org.uk](mailto:swipecard@shrewsbury.org.uk) if you have any questions or wish to increase/decrease the amount on your child's Smart Card.

## **Use of Bicycle**

*(Forms Booklet page 11)*

With parental consent, pupils are permitted to keep bicycles and to use them whilst at School; they may on occasion borrow bicycles for use on school activities.

The School is unable to accept responsibility for any accidents which may occur on or off the School site as a result of cycling. All bicycles must be clearly marked with the owner's details in paint, and must be securely locked at all times when not in use. Front and rear lights must be used when cycling around the School site after dark. A helmet should be worn.

If a pupil brings a bicycle to the School, parents are strongly advised to ensure that adequate security is provided for it and that insurance cover is held. The School cannot insure pupils' private possessions.

If you wish to give your consent to your child keeping a bicycle at school, please complete the Use of Bicycle form.

## **Application Form to Begin Instrumental Tuition**

*(Forms Booklet pages 12)*

We aim to give as many pupils as possible the opportunity to partake of the rich musical life on offer at Shrewsbury. There is hopefully something for all tastes, and starting a new school is a wonderful time to begin a new instrument or take up one that has been put to one side for a while.

Tuition can be arranged in singing, in all orchestral instruments and also on percussion, piano, organ, guitar (classical, electric and jazz), jazz piano and harp. Coaching in music theory is also available by arrangement with the Music School.

**We offer all new pupils the chance to have one trial lesson free of charge on the instrument of their choice**, in the hope that as many pupils as possible will have a go at something when they arrive, irrespective of previous experience. If you would like your child to benefit from this scheme, please indicate on the form which instrument he or she would like to try. This also applies to anyone wishing to try singing lessons.

All lessons are taught one-to-one and, during the year, our instrumental teachers aim to provide a complete course of at least 30 lessons.

Pupils come for tuition both during academic lessons and at other times of the day or early evening. However, we do our best to ensure that only one 40-minute period is missed from any academic subject per half term, thus minimising the amount of academic work they might have to catch up on. In the large majority of cases lessons in academic time works well and should not be seen as a reason for not having lessons at Shrewsbury.

***Written permission is required for the commencement of music lessons and one full term's notice in writing is required to the Director of Music if a pupil wishes to discontinue them.*** For further advice, please contact the Director of Music, or the Music Department Administrator.

*For more information about Music at Shrewsbury, please read the document 'Music Making at Shrewsbury School' on the New Fourth Form Entrants page of the School website: <http://www.shrewsbury.org.uk/page/new-fourth-form-entrants>.*

## **Music Questionnaire**

*(Forms Booklet page 13)*

Whether or not your child will be receiving instrumental or singing lessons, the Music Department would like to offer them every opportunity to join in with the musical life of the School, such as taking part in Musical Theatre productions, Open Mic events, the Chapel Choir, or in one of our many orchestras and instrumental ensembles. In order for the Music Department to have some information about your child's musical experience to date, we would be grateful if you could please complete this Music Questionnaire.
