

SHREWSBURY
SCHOOL

Parents'
Association

Dear Parents,

The SSPA host social events throughout the year where parents and staff can mix in a relaxed and informal environment. Most events are held close to the end of term or coach weekends so that all parents have the chance to attend. The SSPA is a not-for-profit organisation - any profits made through our events are donated to nominated school charities, or used to fund student centred initiatives. We very much hope you can attend an SSPA event in the near future.

Getting involved with the SSPA

There are a few ways in which you can support the Parents' Association:

1. Become a committee member. We meet about 6 times a year.
2. Become an event partner. As an event partner you can commit to supporting specific events to suit your circumstances.
3. Support the SSPA by Sponsoring an event/part event.
4. Support the SSPA's work with the Careers department. We are currently seeking experienced people to inspire our students and support them in their lives beyond Shrewsbury School. If you would be willing to speak to students about your work or help them with interview techniques, we would love to hear from you.

To find out more please email **Joycelin Hoyland**, SSPA Communications, Events and Integration Coordinator on jjhoyland@shrewsbury.org.uk.

For now I would like to welcome you to Shrewsbury School and look forward to meeting you.

Kind regards

Jeremy Edmondson
