June 2020

Dear Parent,

A warm welcome is extended to you from all the staff at the Shrewsbury School Shop.

I thought you might welcome an explanation about how to order your son or daughter's school uniform this year. You will be able to find all related information on: <http://www.shrewsbury.org.uk/page/school-shop-and-uniform> explaining which uniform items are compulsory and which are recommended. You will also find an order form for the items available through the School Shop.

How to Order:

Option 1 Mail Order UK / Overseas (**Overseas collection service from shop only**):

Our UK only Mail Order/collection service will allow you to browse the clothing list at home and then place your order by email (mhignett@shrewsbury.org.uk), by post, and by telephone on +44 01743 280868 (**telephone after 1st July 2020 only**). Our staff will be pleased to provide any assistance you require at that stage, we accept payment by credit or debit card (please note we do not accept AmEx). Our optional name taping service means that your fully named uniform can be ready for collection from the School Shop during week commencing 1st September 2020. (Please note that we require a minimum of two weeks' notice to order nametapes). The cut-off date for the name taping service, providing we already have your name tapes, is 14th August. The School Shop will be open week commencing 1st September, Tuesday to Friday 9am to 5pm, Saturday 9am to 6pm and Sunday 10am to 5pm, to collect any uniform that has been pre-ordered.

Option 2 Personal Appointments:

Considering the current coronavirus pandemic affecting us all, personal appointments will not be available for the foreseeable future due to social distancing guidelines and advice from UK government. Please email or telephone (**after 1st July**) for information on the current circumstances regarding the possibility of an appointment week commencing 31st August, however, these spaces will be very limited and reserved for overseas parents only should UK social distancing guidelines allow.

****Please note that the School Shop will be closed w/c 24th – 30th August****

Stationery:

6th Form - The School Shop is open during term time and sells a variety of stationery should you forget items or need to purchase new equipment.

3rd Form – Starter Packs will be issued by individual class teachers.

Mouthguards:

Please ensure your child brings their own **“Self-fitting mouthguard”** for the start of the Michaelmas term. The school will not be able to provide a personal mouthguard fitting service this year (2020).

Please note that all stock/sizes are subject to availability, but we will support exchanges wherever possible should garment size or fit be a concern to your child at the start of term.

I look forward to hearing from you soon. Please do not hesitate to contact me directly if we can help or advise in any way during these difficult and challenging times.

Yours sincerely,

Michèle Hignett
