Your NHS Emergency Summary Care Record (SCR)

Important, please read.

A Summary Care Record is a computerised record that contains important information about any medicines your child has been or is currently taking, allergies he/she suffers from and any bad reactions to medicines that he/she may have had. It may be able to be accessed by doctors giving emergency treatment elsewhere. Your permission will always be asked if anyone needs to look at information in the SCR, unless in an emergency when you are unable to give permission.

You have the right to opt out of this if you wish.

What it means if you DO NOT have a Summary Care Record:

vinacie means il you 20 mave a cammary care necora.			
NHS healthcare staff caring for your child may not be aware of any current medications, allergies and bad reactions to medicines, when giving treatment in an emergency.	The medical records will stay as they are now with information being shared by letter, email, fax or phone.	 If you have any questions, or if you want to discuss your choices, please: Phone the Summary Care Record Information Line on 0300 1233020; Contact your local Patient Advice Liaison Service (PALS); Contact the Medical Centre or Mytton Oak Surgery 	
Do you wish your child to have a Summary Care Record? YES NO Your name Your signature Relationship to patient			
Please note: You are required to actively opt out in order not to have a Summary Care Record. If you do not fill this in, then in most cases a Summary Care Record will be created by default and uploaded.			

If you change your mind later, please contact the Medical Centre or the Mytton Oak Surgery and we can change it.

Any summary already uploaded can be removed.

Please return this form to the Admissions Office as soon as possible.

Once this completed form has been received, a meeting must be arranged between the Catering Manager and the parent/guardian or school to discuss your child's food requirements in more detail.

Please note: Holroyd Howe may be unable to provide catering to your child until a parent/guardian or the School have met with our Catering Manager to discuss your child's requirements

Part 3: Parent/Guardian Acceptance

Whilst we can provide meals that do not include nominated allergens, we cannot guarantee that dishes do not contain traces of allergens, as they may be stored and prepared in the same areas as nominated allergens. For example, Holroyd Howe do not use nuts in any of the food we prepare and serve. We are however unable to guarantee that dishes/products served are totally free from nuts/ nut derivatives. This is because ingredients, for example, curry paste, may be made in a factory containing nuts, bread may be baked in a factory handling nuts, or some production lines have machines lubricated with nut oil.

I confirm that the information supplied within this document is correct. Any changes in my child's allergy/intolerance status will immediately be highlighted to the School/Catering Manager:

PUPIL MOUTHGUARDS

Dear Parent/Guardian,

The school policy is to endorse various sporting governing bodies in their guidelines surrounding the use of dental protection. All pupils will require a mouthguard to take part in hockey, lacrosse or rugby at the school throughout the school year.

TITAN will be catering for all pupils wishing to purchase a dental-fit mouthguard and will be visiting the School on the 12th September 2018 to supervise impressions for all those who require a guard for the new school year.

All TITAN mouthguards are provided at a cost of £44.99 with replacement/spare guards at a reduced cost of £35. This cost is vastly reduced from most dental practices and includes:

- Impression supervised by a member of the TITAN team
- Finished guards manufactured to achieve the highest level of protection available
- Pupil's name embedded
- Free boil+bite mouthguard for use in sporting fixtures during turnaround time
- Free delivery to student homes

If you wish to take advantage of this service, please complete the School's online order form by clicking the following link. Full details, pricing and updates are available on the form: https://titanguards.typeform.com/to/Uwa4SO.

(TITAN suggest that orders should be placed in advance of the **pre-order deadline** on the **8**th **September 2018**. TITAN can take orders on the day of fitting, but this usually delays the delivery of the mouthguard and complicates admin processes. There is a **£5 price increase** on all guards after the pre-order deadline on the **8**th **September 2018**.

Yours sincerely,

agmos .
