SHREWSBURY SCHOOL

SIXTH FORM ENTRANCE EXAMINATION 2016

GEOGRAPHY

(1 Hour)

Instructions to candidates:

Answer TWO questions.

Each essay is worth 15 marks.

Answer on lined paper.

Choose any **two** questions. Diagrams, accurate geographical terminology, and place specific examples will be rewarded.

1. What is the value of maps for Geographers? [15]
2. "Extreme resource consumption in the West will be its downfall". Discuss. [15]
3. Describe and explain how the physical features on a stretch of coastline are formed. [15]
4. Describe and explain how and why the physical features of a river vary from the source to the mouth. [15]
5. People in poorer countries seem to be happier than people in richer countries. How might a geographer find out if this is true? [15]
6. The positive aspects of migration always outweigh the negative aspects. Discuss. [15]
7. Global warming is the biggest threat to human development in the next 100 years. Discuss. [15]
8. "Earthquakes are more dangerous to human life than volcanoes". Discuss. [15]
9. Describe and explain how mountains have become an increasingly important resource. [15]
10. "An expanding global population will inevitably result in a global food shortage". Discuss this statement. [15]

Total = 30 marks.
