19th September 2013

Dear Parents,

As we end another cricket season and your sons and daughters start emptying their cricket bags of old and unwanted kit, I can assure you there is a player in Sri Lanka who would really appreciate it!

I have been told by a good friend of mine who is working in Sri Lanka that most clubs have a huge shortage of kit. It is commonplace for junior, men and women club cricketers (up to playing in a Premier League/ Semi Professional equivalent standard) to only have three bats and three gloves per team and to swop and change mid-wicket.

As Coach Weekend is coming up, you might want sort through cricket bags and find any items of kit that are unwanted because they are old or too small. This includes helmets, gloves, pads, bats, cricket clothing and boots (though you can keep the boxes!). Please ask your sons and daughters to bring it to me at the Lyle Building or to Mr Pridgeon in the Cricket Centre.

Please send any kit to school before **Friday 4th October**, as the shipment to Colombo will be in the following week.

Thank you very much.

Yours sincerely,

Rob Morris
